Study No.11
King Saul and the Rise of David

Timeframe of events:
c.1050-1000 B.C.

Summary: This study focusses on the initial days of the kingdom of Israel, as portrayed in 1 Samuel chapters 8 to 31. Three short time periods are covered: (1) King Saul's reign until his rejection, (2) King Saul's gradual decline and David's rise in popularity and power, and (3) King Saul's eventual downfall and death. Also included in the readings are the first ten chapters of 1 Chronicles. These include the death of Saul, but are mostly comprised of genealogical lists and served as a directory of names, for the benefit of Jewish exiles returning from Babylon about 500 years later, thereby linking their situation to their past.

Main Reading / Listening

Read and/or listen to the following passages at least once. Twice is better for taking it all in!

As a minimum, please read or listen to:
1 Samuel 8

To read or listen to the entire Bible systematically, this study's passages are:
1 Samuel 8 to 31
1 Chronicles 1 to 10
(Because 1 Chronicles 1-9 contains many lengthy lists of names, it will be much easier to read these passages than listen to them).

<td><strong>Purpose:</strong> To provide those Jews (i.e. Israelites from the tribe/nation of Judah), who had returned from exile c.535 BC, with a link to their past. Enhancing your reading:

Attempt one or more of the following tasks for a better appreciation of the subjects covered by the main readings for this study.

- Jot down any questions arising from this study’s readings. Ask someone else for help, or conduct your own research to try and answer these questions.
• Note any passages, verses, themes or lessons that have stood out to you from this study’s readings. Write down or verbalise your reasons.

• Read or listen to these other Bible passages that relate to the content of this week’s readings:
  A number of Psalms are generally thought to have emerged from David’s time of being persecuted by King Saul (cp. 1 Samuel ch.21-27). Some of these include:
  Psalm 52; 54; 56; 57; 59.
  Note the inscriptions at the head of these Psalms, added later, but generally accepted to be relevant to the period of persecution.

Consider and discuss the following questions:

King Saul's reign until his rejection (1 Samuel 8 to 15)

(1) How would Samuel’s sons have been in a position to take bribes and pervert justice? (8:1-3)

(2) Why did the tribal elders approach Samuel about instituting a king? Why did they feel the need to consult Samuel? (8:4-6)

(3) What does the LORD’s response tell us about the governmental system in Israel at that time? (8:6,7) i.e. what was happening at the time, and what should have been happening?

(4) How was the people’s request a fulfillment of the prophecy of Deuteronomy 17:14?

(5) What does it say about Israel at the time that they wanted to be like all the other nations (8:5,20)? Cp Exodus 19:5,6; Deuteronomy 4:5-10

(11) What do you think the group of prophets were prophesying? (10:5)

(12) What do you think Saul prophesied in 10:6?

(13) The people asking for a king was a form of rejecting God as their king. (8:7). How does this relate to David being blessed with promises of an eternal kingdom? (2 Samuel 7:12,13)

(14) Why did God bless Saul with His spirit? (10:19)

(15) Why was Saul reluctant or even shy about being declared king? (9:21; 10:16,21,22)
